

# PASSENGER & PEDESTRIAN SAFETY

A great traffic safety rule for riding in the car or walking outside is...

Draw a picture that shows you following a traffic safety rule, then write a sentence or two that tells about your picture.

---

---

---

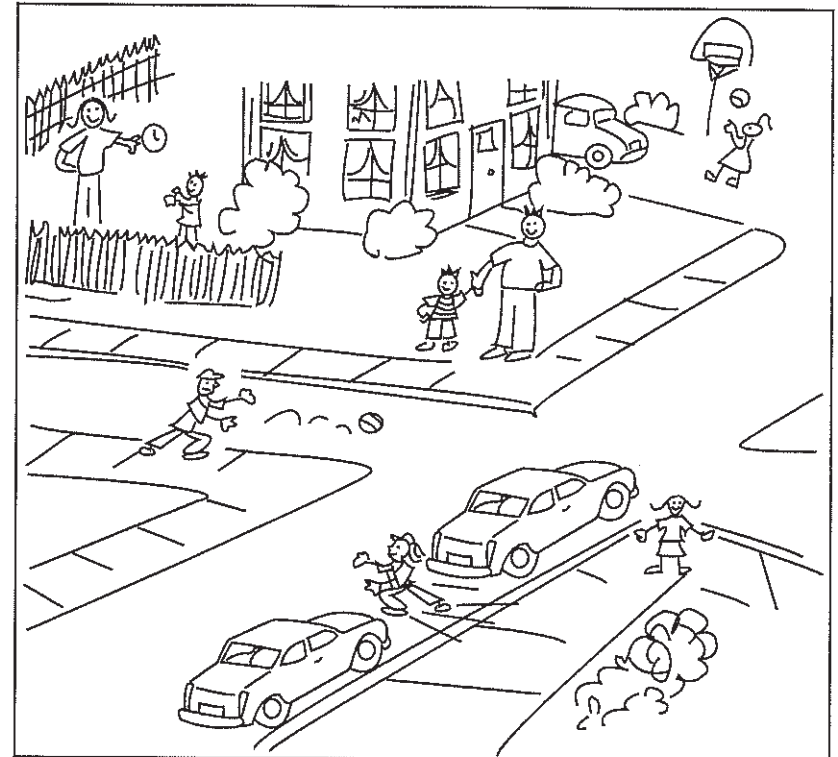

---

**Additional traffic safety and bike safety materials can be obtained through your local AAA office, by calling 516-873-2364 or visiting [AAA.com/Safety](http://AAA.com/Safety)**

## Walk and Play Safely!

Draw a blue circle around things that are SAFE.

Draw a red X on things that are NOT SAFE.

### SAFE

A boy is holding the man's hand on the sidewalk.  
A child is playing with a grown-up in a fenced-in yard.  
The boy and the man are looking all ways before they cross the street.

### NOT SAFE

A girl is alone on the sidewalk.  
A boy is chasing a ball in the street.  
A girl in the driveway doesn't see the car pulling out of the garage.  
A child is darting between parked cars.
